EXPERIENCE

Full Stack Developer

May 2026 – Aug 2026

GALA Care @ Riipen — galacares.com

Remote

- Engineered an automated monthly invoicing engine (Next.js, Stripe API, Vercel Cron) with **Stripe Connect** split payouts, deducting a 17% platform fee and applying province-specific Canadian tax rules (HST/GST/PST/QST).
- Built end-to-end client payment flows using Stripe **SetupIntents** for automatic month-end billing, plus a reconciliation receipt workflow requiring caregiver shift verification before invoice finalization.
- Optimized the client-caregiver matching algorithm to prioritize location and reduce scheduling conflicts, and shipped a multi-step concierge intake flow with Calendly booking and admin PDF exports.

Founder & Full Stack Developer

Jan 2026 – Present

Misu — misu-rho.vercel.app

Solo

- Architected and shipped a production multi-tenant restaurant SaaS from zero — real-time Supabase WebSocket ordering, operator dashboard, and Stripe subscription billing across 40+ API routes, cutting table settlement time by **~40%**.
- Designed a 6-agent AI architecture (Vercel AI SDK + Claude) for menu recommendations and pricing signals, driving a **22% reduction** in food cost waste for pilot venues within 6 weeks.

Full Stack Developer

Jan 2026 – Present

ColdBloodedHeartBeats — coldbloodedheartbeats.com

Solo

- Built a headless eCommerce platform on WordPress/WooCommerce with a custom JS/CSS frontend and PHP SMTP backend, increasing client sales by **60%** and online visibility by **84%**.

Full Stack Developer

Feb 2026 – Present

One More Cocoa @ Riipen — onemorecocoa.com

Remote

- Developed custom Shopify themes and modular Liquid sections (Gift Box Creator, Workshop) using Shopify CLI; redesigned the Hero section while maintaining full backend compatibility.
- Built real-time connectivity between scheduled meetings and event handling for client workshops, syncing booking state with live workshop availability.

Master Instructor & Leadership Coordinator

Dec 2023 – Present

City of Mississauga | Town of Oakville | U of T | City of Vaughan | Town of Caledon

ON

- Designed and delivered National Lifeguard and Swim Instructor programs for **150+ staff** across 5 organizations, achieving a **95% pass rate** and 100% provincial compliance.
- Drove a **15% improvement** in emergency response efficiency through data-driven feedback cycles across large-scale performance audits.

PROJECTS

Lume | *Next.js, React, TypeScript, OAuth 2.0, Stripe, Supabase, Vercel*

[Live](#) | [GitHub](#)

- Architected a real estate SaaS with AI-assisted document analysis, compliance scanning, and a unified closing dashboard for clients and realtors.
- Implemented OAuth 2.0 with 2FA, Stripe billing across 3 tiers (\$99–\$999 CAD/mo), and role-based access control for multi-user workflows.
